have just run rampamp over all of the rest of the people. And practicing our smoking wherever we pleased to smoke. Here's an opportunity for us to get back to courtesy. Defeat the amendment. Support Senator Marsh's bill.

CLERK: Mr. President, motion on the desk. I move the previous question. (Signed) Senator Carpenter.

PRESIDENT: The Chair notices that there is nobody else wishes to speak. So we will ask Senator Frank Lewis if he wishes to close on his amendment.

SENATOR FRANK LEWIS: Mr. Chairman it's very interesting to hear those disout the protection of the women and the children. And to really get tough on this bill, and we will really go with it, and let's make sure we eliminate this thing that is really horrendous bill insult to our society, and then to oppose the amendment to make it enforceable. So you are really going to enforce and you are really going to jump on the white horse and protect the women and children. Drag the scoundrel down to the jail and give him a \$10.00 fine. Now I'm serious about this. If this is a matter for this legislature. If this is really an overriding concern, and I've heard all the speakers in favor of it. Then it's really a serious matter, then we ought to fine the hell out of them, Senator Stahmer said, but let's make it \$10.00 instead of a \$100. And I'm serious with you. If this bill goes through, then let's put something into it. If it's not going to go through, and it's going to be another one of our statement of policies or intent. Then let's forget it. I would urge you, if you are really interested in a tough bill to do what you want it to. Go with this one. You adopt the amendment you have my support 100%, all the way across the board.

PRESIDENT: We shall have a machine vote. The question has been called for. Those in favor of the Lewis Amendment vote aye, those opposed vote nay. Senator Whitney voting nay.

CLERK: Senator Whitney voting nay.

PRESIDENT: Have you all voted. Clerk will record.  
10 ayes, 25 nays, Mr. President. The remainder not voting.

CLERK: 10 ayes, 25 nays, Mr. President. The remainder not voting.

PRESIDENT: The amendment failed. Anymore discussion on the bill? Senator Simpson.

SENATOR SIMPSON: Mr. President, I'd like to ask Senator Marsh a question if I might.

SENATOR MARSH: Certainly.

SENATOR SIMPSON: Senator Marsh, looking over these definitions and hearing the various definitions of the room that we are not in, is there any correlation. I've heard that this is a three ring circus and so on, and I didn't want to have this involved in the bill, because I'd like to sit down here and smoke, and I want in the record that this room is not involved with this bill.

SENATOR MARSH: Senator Simpson, this room is not involved in this bill.

SENATOR SIMPSON: Thank heavens.
